### BETTIE SUE IS OAKS WINNER

EXTREME OUTSIDER IS FIRST IN HISTORIC RACE AT CHURCHILL DOWNS.

Princess Callaway Is Second and Round the World, Favorite in the Betting, Finishes

in Last Place.

Louisviile, Ky., June 8.—When Fireman romped home an easy winner in the final dash of this aftersoon, it brought to a close one of the most successful meetings ever held at Churchill Downs. From a racing point of view the session was remarkable, the finishes, with few exceptions, being of the sensitional sort. Financially, too, it exceeded the expectations of the management. It was decidedly free from scandal, and the only fault to be found was wifa the rough riding tactics of some of the lockeys. The judges remedied this latter trouble dowards the close of the meeting by stationing a patrol judge on the lower turn into the backstretch sand on his report several of the offenders were heavily fined. The attendance this season has been insuch above former standards and the high quality of sport provided has given racing many new supporters hereabouts.

Manager Winn, in speaking of the meeting, said: "It was the best ever held at the Downs and the tacing and conduct of affairs at the course proved highly pleasing to our patrons. We have had less complaints to meet this season than at any previous heeting."

Judge C. F. Price said: "It has been the best meeting in point of class ever held at Churchill Fowns. The contention in all the races has been

A special train left tonight for Cincinnatt with most of the turf followers who have been here for the meeting.

### CONDENSED HISTORY OF THE LATONIA DERBY

The first Latonia Derby was run in 1883 and was won by a real race horse. It was then called the Hindoo Stakes and was run as such for the first four years of its existence. Then the change to the present name of the event was made. The first winner, Leonatus, was a son of Longfellow that started in ten races as a three-year-old and won them all. He was an aristocrat and ran in nothing but stake races, being such an invincible that in his last four or five races that year he was barred in the betting. He won in succession the Blue Ribbon Stakes at Lexington; Kentucky berby, Tobacco Stakes and Woodburn Stakes at Iouisville; Hindoo Stakes, Ripple Stakes and Himyar Stakes at Latonia, and the Dearborn Stakes, Green Stakes and Illinois Derby at the West Side track, Chicago, Leonatus is not the only really great racer in the Latonia Derby list. Bersan, Los Angeles, Kingman, Halma, Ben Brush, Ornament, Lieutenant Gibson, Hernando, Sir Huon and Olambala were all truly high-class horses and such others as Libretto, Bill Letcher, Newton, Lazzarone, Hau d'Or and Prince McClurg were much above the average. One creditable feature of the race is that it has always been kept at the proper Derby distance of a mile and a half. A good race is in prospect this year and the record of the event is as follows:

## MARCHMONET TAKES LAGOON HANDICAP.

Salt Lake City, Utah, June 8.—A card brimful with contention, with a handicap at six furlongs as the stellar attraction, and perfect weather conditions, attracted one of the best crowds of the meeting to Lagoon Park today. The feature race marked the initial appearance of Enfield on the Lagoon track, and his debut excited more than ordinary interest because he was always a great favorite with local race-goers. Sterlin. W. McLennore's good coit, occupied the position of honor in the estimation of handicapper Nathanson and was asked to concede weight to his opponents on the strength of his recent meritorious performances here. He ruled a well-backed second choice but, breaking slowly, could not overcome the disadvantage entailed at the start and made up little ground in the running of the race. Marchmonet, running consistently, overcame Madman's lead and drew clear to win handily in new track record time. The success of but two of the public choices gave the layers a good break. Heavy plunges on Ampedo and Arasec added to their winnings. Tippy, a good thing from the Carson stable, was returned winner of the first race after being heavily backed.

The stable of A. B. Spreckels, consisting of ten two-year-olds, arrived from Louisville today.

## ANOTHER TRIUMPH FOR J. R. KEENE.

London, Eng., June S.—At Manchester today the John o' Gaunt Plate of 200 sovereigns for two-year-olds at five furlongs, was won by James R. Keene's chestnut colt Simulium, by Disguise—Sanddy, with H. ## PRISCILLIAN SCORES AGAIN

AUGUST BELMONT'S GOOD HORSE FIGURES IN CLOSE FINISH WITH PLATE GLASS.

St. Bass. Winner of King's Plate and Other Stakes at Woodbine, Continues His Victories at Blue Bonnets-Spellbound Takes Stake Race.

Montreal, Que., June 8.—Keen contests were the order at Blue Bonnets this afternoon. Well-matched fields went to the post and most of the finishes found the winners under hard drives to win by small margins. In three instances a head separated the first two. The card was one of the best offered during the meeting and a large crowd turned out. Speculation was keener than on any day during the week. August Belmont's brilliant racer. Priscillian, scored a victory by a narrow margin when he beat Plate Glass a nose in the third race, running seven furlongs in 1:25½. It was Priscillian's eighth straight victory. He and Plate Glass raced like a team from start to finish and Eddie Dugan outrode Guy Garner in the final drive.

The first race, which was for Canadian-owned horses, furnished a splendid contest, the finish finding six of the seven starters in a close bunch with heads and noses separating the first four. The winner turned up in the three-year-old St. Bass, which led from start to finish. St. Bass has a clean record this season, today's effort marking his fourth straight success, the first of which was achieved in the King's Plate at Woodbine.

The Jacques Cartier Selling Stakes, the feature of the program, also furnished a stirring contest, the first six in the race flinishing in a bunch, with Spellbound victorious in the final stride over Herbert Turner by a neck. S. C. Hildreth's Hampton Court ruled favorite in the betting and was beaten a length for second place. Bello and Dinna Ken ac length for second place. Bello and Dinna Ken ac length for second place. Bello and Dinna Ken ac length for second place. Bello and dinna ken a length for second place. Bello and dinna Ken ac length for second place. Bello and Dinna Ken and Bello beat him a scant length.

Shilling's suspension expired today and he will ride the Hildreth horses tomorrow.

Jockey Goldstein, who has been riding for Thomas Clyde during the past few seasons, has been offered a contract to ride in Germany and may leave for that country at the conclusion of the Blue Bonnets meeting. Thomas Healey is acting as James McCormick's agent in the matter and it is for the latter that Goldstein will ride if he goes abroad. V. Powers and W. Knapp have both proven fallures in Germany, according to report, being unable to make the weight required.

After her defeat in the seventh race on Wednesday, S. C. Hildreth's Rose Queen was claimed by Sam Louis for \$885. According to the new rules of the Canadian Racing Associations, a man is not required to have a starter in a race to claim a horse. This is the first instance where an outsider has taken advantage of the new rule. Blackford, which was claimed by Edward Trotter a few days ago, has been turned back to his former owner, R. E. Watkins.

W. E. Bidwell, secretary of the Kentucky State Racing Commission, was a visitor at Blue Bonnets this afternoon. He is here in the interest of the four-mile Endurance Stakes to be run at one of the Kentucky tracks next fall. Mr. Bidwell will remain here a few days before returning south.

W. P. Fraser and several members of the Ontario Jockey Club were visitors to the Blue Bonnets course this afternoon. Senator Gibson, president of the Hamilton Jockey Club, was also present. The latter is about to sail for Europe on his annual trip. He reports that all of the great three-year-olds on this continent are eligible to start in the Hamilton Derby, which will be run on the opening day of the Hamilton meeting.

## CANADIAN BREEDING BUREAU WORK.

Montreal, Que., June S.—J. F. Ryan, general manager of the Canadian National Bureau of Breeding, has returned from the west after a highly successful trip, and reports having secured some excellent horses for the Canadian horse industry and the solving of the remount problem.

Among the new ones is Light Wool, a big golden chestnut son of Woolsthorpe that caught the eye last year when he won on Canadian tracks. Light Wool is a particularly handsome thoroughbred and should be a blue ribbon horse at the shows. He will be exhibited at the Toronto Fair, Central Canada Fair, Oftawa, and the New York Horse Show, where the National Bureau won last year with Masterman. Light Wool comes as a gift from R. L. Thomas.

Another well-known acquisition is Martin Doyle, by Captain Sigsbee. Amos Turney will start this good horse once or twice at Montreal, just to let his friends see him, and will then turn him over to the bureau, where he will be placed at the Ennisdare Hunt, Oakville, Ontario. Martin Doyle has many races to his credit and is of the stout type which makes good on the track and leaves valuable progeny.

Oiseau, the Chestnut son of Ornus, by Bend Or.

many races to his credit and is of the stout type which makes good on the track and leaves valuable progeny.

Olsean, the chestnut son of Ornus, by Bend Or, now belongs to the burean. By a son of Bend Or, out of a Virgil mare, he is bred in the purple and besides has a great racing record. As a two-year-oid lie was sold by John G. Greener of Nasbville, Tenn, to James B. Brady of New York for \$25,000 Next to Beau Gallant he is the highest-priced horse in the bureau. S. C. Hildreth paid \$4,000 for Beau Gallant as an untried colt, won \$25,000 with him in six weeks and sold him to Richard Croker for \$30,000 after he beat Commando at Morris Park.

Another turf star secured by the bureau is King Cobalt, donated by Grant Hugh Browne of New York. He is one of the best sons of Cesarion and a superb individual. Green Dale, by Allan-a-Dale, Beaucoup and several others will shortly join the bureau ranks.

A month ago the Canadian Minister of Militia and Defense designated twenty-one points in Nova Scotia, New Brunswick and Quebec where thoroughbred sires should be placed to help solve the cavalry remount problem. Six of these places have already been supplied, eight more horses are on the way and the remaining seven points will be attended to between now and June 15.

### STATISTICS ILLUSTRATIVE OF CHURCHILL DOWNS' SUCCESSFUL MEETING

The spring meeting of the New Louisville Jockey
Club, which opened at Churchill Downs May 13
and came to a close yesterday, embraced twentythree racing days, during which 138 races were decided. The meeting unquestionably deserves to be
characterized as the most successful of recent years
at this long-established racing center of honorable
prestige. The racing, participated in by most of the
best horses in training in this country, was of a
caliber calculated to reflect credit on any racing
association, no matter what its pretensions, and the
patronage accorded it was in keeping with the excellent class of sport provided. The distribution
in stakes and purses was considerably in excess of
former records, totaling the truly splendid aggregate of \$104,440, representing a daily average of
\$4,541. Comparison of figures for the spring meetings at Churchill Downs covering the last few years
are given herewith and are interesting:

Equivalent booking odds—Dick Baker, 540 to 100 straight, 215 to 100 place, 105 to 100 show; Lackrose, \$60 to 100 place, 115 to 100 show; Hannis, 180 to 100 show.

Winner—Br. c, by Gold Heels—Sanctissima (trained by A. J. Johnson).

Went to post at 2:31. At post 2 minutes. Start good. Won driving; second and third the same. DICK BAKER, hard ridden all the way, closed a gap steadily, stood the final drive gamely and got up to win in the last stride. LACKROSE showed the most early speed and set the pace, but tired unexpectedly in the last sixteenth. HANNIS suffered from interference in the first half and made a game effort all the way. SPINDLE showed speed, but tired. PRINCESS THORPE had no mishaps. ARGONAUT quit. BOB CO was well up in the early running, ALMA BOY closed a gap.

Overweights—Princess Thorpe, 3 pounds; Longridge, 3.

Went to post at 2:32. At post 2 minutes. Start poor. Won driving; second and third the same. ST.

EASS went into the lead at once and, after showing the most speed all the way, hung on resolutely through
the final drive. GANOGUE, a forward contender from the start, ran an unexpectedly good race and was
vearing the winner down at the end. STANLEY FAY finished gamely on the outside and would have won
in a few more strides. CARRILLON ran well, but was tiring at the finish. CHIEF KEE ran poorly.

Went to post at 3:98. At post 1 minute. Start good. Won easily; second and third driving, FLAMMA.
Off forwardly and closer up than usual in the early running, finished with a rush and won eased up. ROD
AND GUN was a forward contender from the start, but tired in the last sixteenth. SENEX was in close
marters all the way and, jumping on ORIMAR LAD at the furloop post, went to his knees, but finished
fast. The latter showed a fine flight of speed in pacemaking for a half, but was on the inside and, tiring,
was crowded out. DIPPER showed speed, YANKEELOTUS closed a gap.

Bachelor's Double's Great Jubilee Handicap—Epsom
Derby Betting—King George's First Winner.

London, Eng., May 22.—The uncertainties of racing and the going astray of expert judgment in the matter of racing probabilities, was signally illustrated in the case of the \$15,000 Kempton Park Great Jubilee Handicap. Largely because J. B. Joel's Sanstar had won the Two Thousand and other horses had also added to the stable's laurels, it was assumed that his big Sundridge, horse, The Story, was the predestined whner of the richest handleap of the spring campalgn. There was no very good reason based on racing for this preference, but regardless of reason he was always a raging favoritin the heavy ante-post betting and finally went to the post at the short price of 2 to 1. Last year Bachelor's Double had won the City and Saburban Handicap at Epsom and the Royal Hunt Cup at Ascot and otherwise proved himself to be one of the best horse in England. In native merit and by public record he was absolutely the best race horse engaged. Yet he was seldom mentioned in the antepost betting and then only within about a week of the time of decision of seattering wagers and went to the post at the long price of 100 to 7. When it came to the raceing, public form was amply vindicated, Bachelor's Double going right out in front at once and showing the way throughout to winnerder the story for second place. After the race has had never done anything of consequences

availed nothing. Bachelor's Double's share of the spoils of the race amounted to the captivating sum of \$13,250.

An event that caused great rejoicing occurred at Doneaster May 19 when King George's colt Pintadeau won the Fitzwilliam Stakes. It was the first success of his stable on the turf and was greeted with great cheering. The king was not present, but many telegrams of congratulation promptly informed him of his colt's victory. The race was of no great importance, but British turfmen are profoundly appreciative of the great value of King George's decision to follow the example of his father in patronizing racing and any portion of success failing to his stable is viewed with delight. Pintadeau is a good looking chestnut colt by Florizel II.—Guinea Henand may be capable of doing better things as he gains in muscle and strength.

The death occurred at Newmarket yesterday afternoon of Galeottia, a valuable broodmare belonging to Mr. Fairie. She fell dead in the stud paddocks, having ruptured a blood vessel internally. Galeottia had a pretty successful career on the turf, and in 1895 won the One Thousand Guineas for Mr. Fairie, with F. Pratt, the present Wantage trainer, riding. She was the dam of Cyllus, one of the Manton Derby candidates, and Highness.

By his victory for the second time in the valuable Konig's Frize at Buda-Pesth recently. Count L. Telek's four-year-old, Rascal, and the count of the country are considered to the country of the second time in the valuable with the country and the country of the second time in the valuable of Rascal, was, says the Allgemaine Sport Zeltung (Vienna), subsequently called before the stewards, who withdrew his license on the ground of reckless riding during the race.

W. Knapp, who came over from the United States to ride for Baron S. A. Oppenheim in France, won his first race at Hoppegarten when riding Royal Flower, by Florizel II., out of Royal Maze, for his stable.

### AN INVALUABLE RACING PUBLICATION.

AN INVALUABLE RACING PUBLICATION.

The American Racing Manual for 1911, recently issued, is a better book than any of its predecessors, having been enriched by the addition of various new features, while at the same time all the old leatures are retained. Its new features include a thorough presentation of the interesting and timely subject of pari-mutuel calculations with examples; a complete tabulation of the winning two-year-olds of 1910, arranged under their respective sires; and a list of the officials and locations of the various racing organizations of the United States, Canada and Mexico. This publication, which is annually in great demand among those interested in the turf, is an excellent and low-priced book of 442 pages, holding information obtainable in no other publication. It is simply a mine of records. Among the old features retained are:

English Racing Records to Date.

Three Handicap Systems with Examples.

Records at All Distances of the Tracks of the United States and Canada.

American Racing Records at All Distances,
Australian Racing Records at All Distances,
Australian Racing Records at All Distances,
The Great Money Winners of the American and English Turf.

The Leading Winning Two-Year-Olds Since 1870,
List of Horses that Have Sold for Great Prices.
Remarkable Feats of Jockeyship.
Leading American Sires Since 1870.
Twenty Leading Sires of 1910.

A Table of Comparative Speed of the Tracks at All Distances.
